indiCo RENTALS
CLOUD-BASED PLATFORM

indiCo
Independent Campus Stores Collaborative

Easily execute store-managed and publisher rentals on <u>any</u> size campus

indiCo Rentals is a fully managed, independent system that makes it easy for you to provide your students with more low-cost rentals. Select one or both platform options to manage your rentals and provide a seamless interface for students. There is no set-up fee or up-front cost for either program.

Convenient. Flexible. Economical.

BENEFITS

Store-Managed Program:

- Easily manages rental logistics in real-time
- Rents your own inventory to increase profits
- Identifies titles that are eligible for wholesaler rebates at the end of each term

Publisher Consignment Program:

- Reduces your risk on consignment inventory
- Quickly makes publisher rentals available regardless of your POS
- Gives students a digital option, for a minimal cost, that allows them to retain access after rental

See increased end-of-semester traffic with more in-store returns.
